Glécksneellack

Den Theo ass nervös fir säin éischte Schouldag.
Gutt, datt d'Mamma him een neien Neellack kaf huet,
deen him Gléck brénge soll. Iergendwéi leeft den
Dag awer guer net esou, wéi den Theo sech dat virgestallt huet, an
no der Schoul wëll hie just nach heem goen.

Bis hien enger Persoun begéint, déi him weist, wéi wichteg
et ass zu sech selwer a senge Gefiller ze stoen.

De Raffi an D'Rita

De Raffi ass esou grouss, datt hien
d'Wolleken als Hutt undoe kann.
D'Rita ass esou grouss, datt hatt
oppasse muss, fir net mam Kapp an
eng Stäreschnäiz ze knuppen.

Dat ass WIERKLECH grouss.

Eng Geschicht fir ze laachen, an iwwer
déi üblech Rivalitéiten tëschent Geschwëster.

Dem Molly säi Geheimnis

D'Molly lieft zesumme mat enger grousser
Afeband am Dschungel. Si danzen a spille mateneen
an natierlech maache si och immens gär Dommheeten.
Mee d'Molly huet e Geheimnis: D'Molly ass e Schwäin.

Enges Daags gëtt den Alex, de Chef vun den Afen,
mësstrauesch. Et kënnt him vir, wéi wann e Schwindler
sech bei hinnen ageschlach hätt. Héich Zäit also, fir dee
falschen Af mat e puer Tester ze entlarven.

A wat elo, Molly?
